

Santa Cruz Animal Shelter Mentor List, April 2014

After attending a General Volunteer Orientation (GVO) and a species-specific training, working one-on-one with a mentor is the last step in the volunteer training.

Please contact a mentor from the list below to schedule a time. To avoid confusion, please contact only one mentor at a time. Though some mentors include their typical schedule in the list, you should still pre-arrange a time, rather than dropping in.

Live Oak Shelter		Email	Shift Days and Times
Bird, Maureen	Cats	santacruzcats@att.net	Schedule varies; contact for details
