Reduced adoption fees still include our comprehensive preparation care package, ensuring they're ready for their new life and saving you a bundle! Every adopted pet will be provided with:

- Spay or neuter surgery
- Up-to-date vaccinations
- Flea & tick preventative
- A microchip for permanent identification
- A license for dogs that will be living in Santa Cruz County

"Our 'Summer Love' special is designed to help as many pets as possible find caring homes," said Amber Rowland, General Manager for the Santa Cruz County Animal Shelter. "We had a wonderful California Adopt-A-Pet Day to start the month, but our shelter remains **very** full. We have an incredible selection of pets of all ages and personalities, including dozens who, remarkably, have been waiting a month or longer to find a new home! We hope this promotion will encourage families to open their hearts and homes and give these pets a chance at love in a new home."

From roly-poly puppies to mellow or active, smooth or beautifully fluffy adult dogs, to playful kittens and the full range of crazy-affectionate to cool and sophisticated cats, the shelter has them all, along with bundle of very well-socialized house rabbits!

Studies show that pets help us exercise more, feel needed and valued, and improve our overall health. Join us and find **your** "Summer Love"! When you adopt, you save a life and change yours for the better!

Interested adopters can visit the shelter at 1001 Rodriguez Steet in Santa Cruz or browse adoptable pets online at [www.scanimalshelter.gov](http://www.scanimalshelter.gov). Knowledgeable staff and great volunteers are eager to help you find the perfect match for your family.
